Wade Adams Contracting LLC, Dubai
Improvements of Al Safooh Roads

The roots of Wade Adams Contracting (L.L.C.) go back to 1976 when a prominent local family formed Union Transporting and Contracting Company (UTCC). Even today many of the senior management team of erstwhile UTCC continue to serve Wade Adams in various capacities.

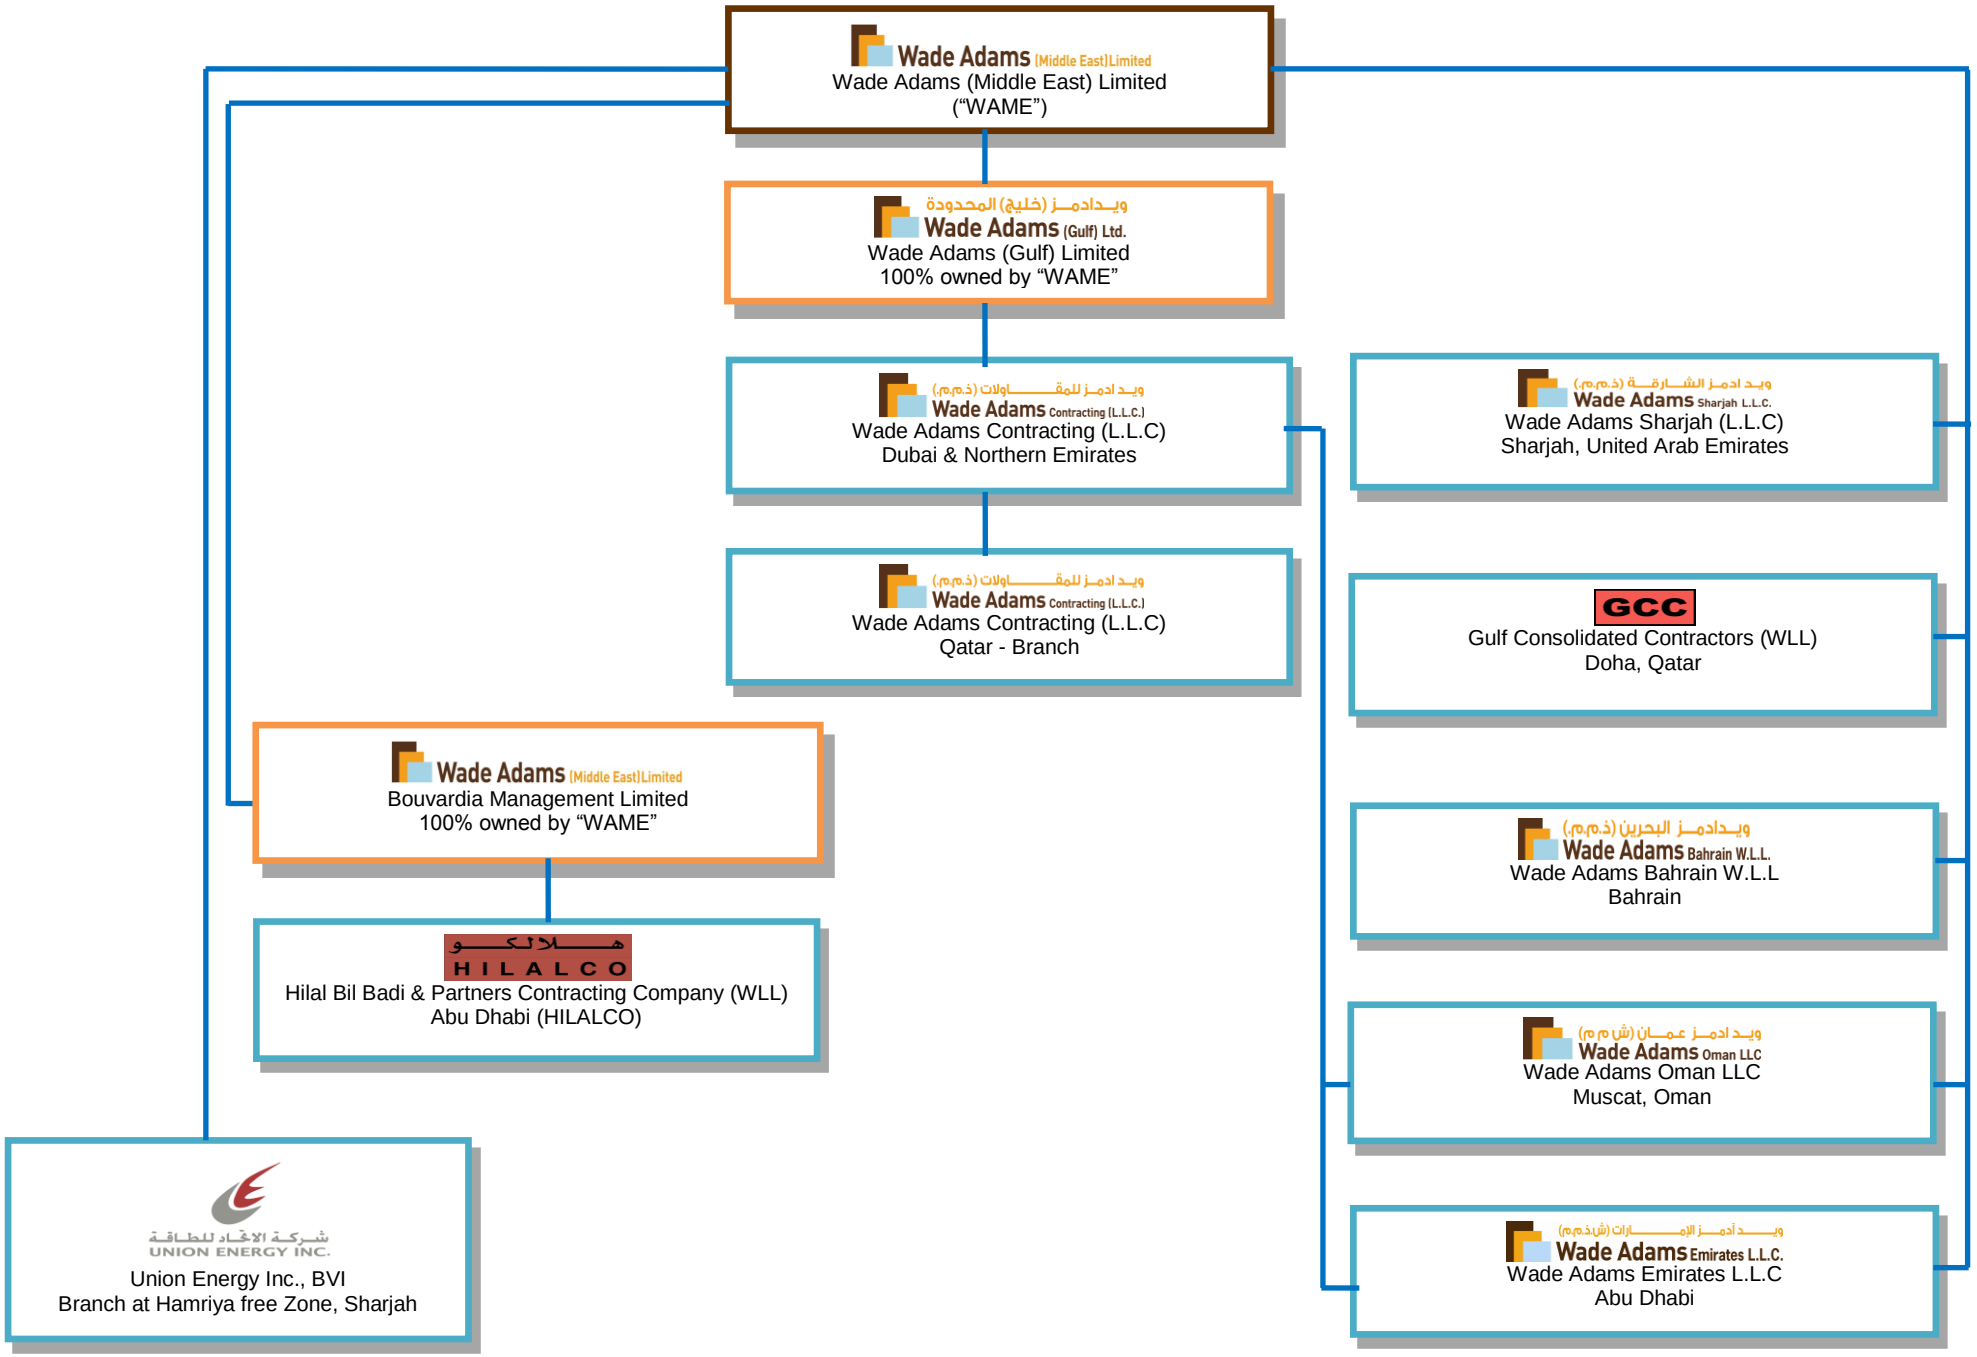

Wade Adams Group specialised in all aspects of Design and Build, EPIC and Employer designed to build construction services. Wade Adams has a proven track record in executing Airport Infrastructure, Buildings, Dams, District Cooling, Energy, Industrial, Landscape and Theme, Marine, MEP, Road and Bridges, Residential Infrastructure and Utility Network projects.

The Company works to high standards and stringent HSE requirements as is evident by the certification of the integrated management systems of all Group Companies to ISO 9001:2008, ISO 14001:2004 and OHSAS 18001:2007 by Bureau VERITAS.

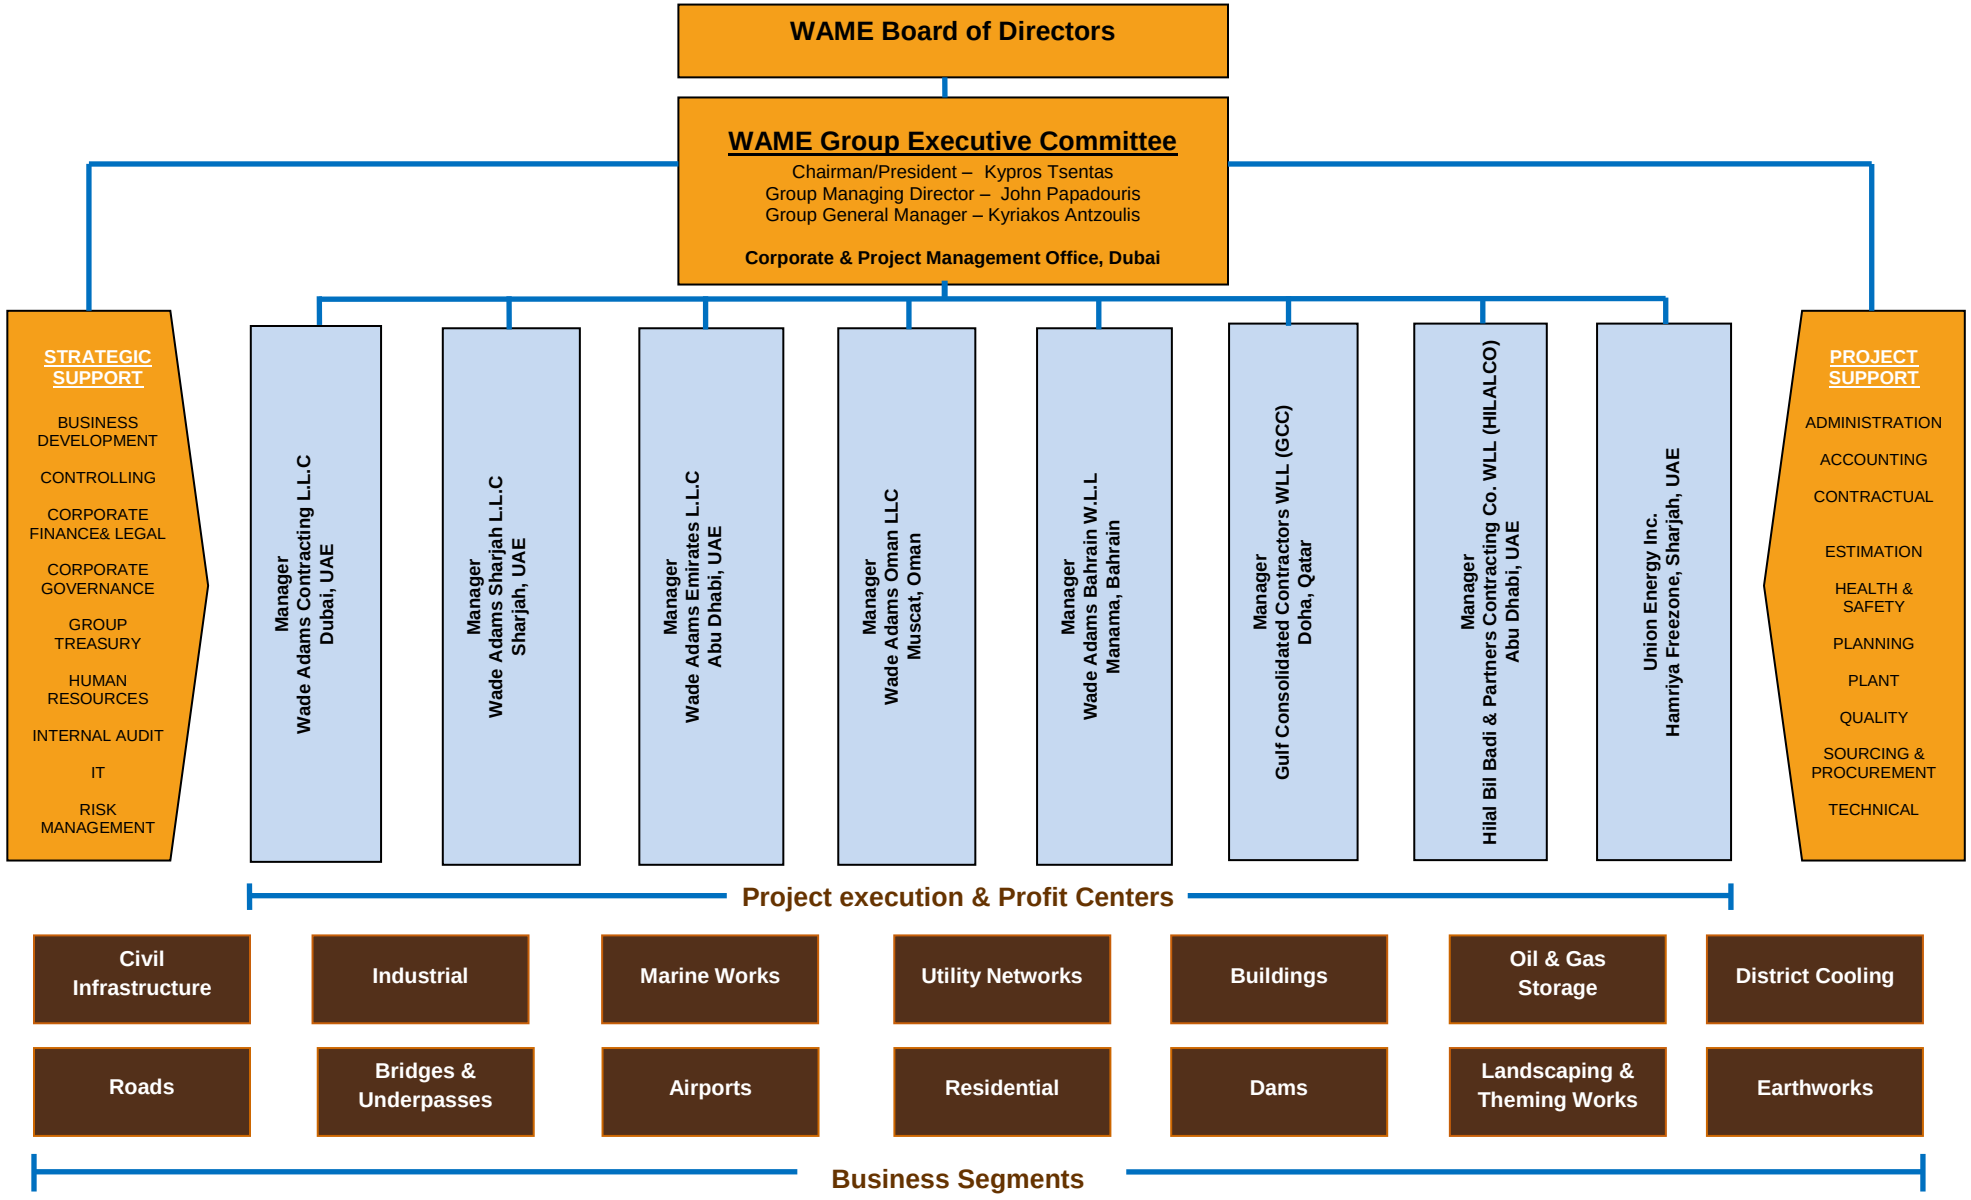

Wade Adams has a firm order book of approximately AED 4.00 billion (US$ 1.1 billion), an employee force of over 11,000 and strategic investments in land, buildings (including its own labour camps to house the large workforce), plant and equipment and is in an enviable position to consolidate its position as one of the major contractors in the Gulf region and take on further challenges.

Wade Adams (Middle East) Limited is registered and operates under the laws of the British Virgin Islands.
